MEDICARE NOTICE OF CREDITABLE COVERAGE REMINDER

If you or your eligible dependents are currently Medicare eligible, or will become Medicare eligible during the next 12 months, you need to be sure that you understand whether the prescription drug coverage that you elect under the medical plan options available to you are creditable with (as valuable as) Medicare's prescription drug coverage.

To find out whether the prescription drug coverage under the medical plan options offered by the Stationary Engineers Local 39 Health and Welfare Trust Fund are creditable you should review the Plan's Medicare Part D Notice of Creditable Coverage available from the Trust Fund Office at (800) 622-0547or (925) 208-2280.

ANNUAL NOTIFICATION WOMEN'S HEALTH AND CANCER-RIGHTS ACT OF 1998

Your Health and Welfare Plan is required by federal law to provide you annually with the following notice, which applies to breast cancer patients who elect to have reconstructive surgery in connection with a mastectomy.

Under federal law, group health plans, insurers, and HMOs that provide medical and surgical benefits in connection with a mastectomy must provide benefits for reconstructive surgery, as requested by the patient in consultation with the attending physician for:

- Reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prosthesis and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

This coverage is subject to the Plan's deductibles, coinsurance, or co-payment provisions.

If you have any questions about your Plan's coverage for mastectomies or reconstructive surgery, please contact Kaiser at (800) 464-4000, Blue Shield at (855) 256-9404 or the Trust Fund Office at (800) 622-0547 or (925) 208-2280.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT OF 1996

Your Health and Welfare Plan requires group coverage to provide a minimum hospital stay for the mother and newborn child of 48 hours after a normal, vaginal delivery and 96 hours after delivery by cesarean section unless the attending physician, in consultation with the mother, determines a shorter hospital length of stay is adequate. If you are discharged earlier, your physician may decide, at his or her discretion, that you should be seen at home

Mailing Address: P.O. Box 1737 + San Ramon, CA 94583

or in the office, within 48 hours of the discharge, by a licensed health care provider whose scope of practice includes postpartum care and newborn care.

Also, under federal law, plans may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

If you have any questions about your Plan's coverage under the Newborns' and Mothers' Health Protection Act, please contact Kaiser at (800) 464-4000, Blue Shield at (855) 256-9404 or the Trust Fund Office at (800) 622-0547 or (925) 208-2280.

NOTICE OF AVAILABILITY OF PLAN'S NOTICE OF PRIVACY PRACTICES

The Board of Trustees of the Stationary Engineers Local 39 Health and Welfare Plan adopted a Notice of Privacy Practices, which was distributed to Plan Participants at that time. Pursuant to federal guidelines, the Board of Trustees provides this Notice of Availability of the Notice of Privacy Practices. You may obtain a copy of the Notice of Privacy Practices by making a written request for such to the Trust Fund Office as follows:

Stationary Engineers Local 39 Health & Welfare Plan P.O. Box 1737 San Ramon, CA 94583

Within a reasonable period of time of your request, the Trust Fund Office will mail you a copy of the Notice. Alternatively, you may phone the Trust Fund Office at (800) 622-0547 or (925) 208-2280, to request that a copy be mailed to you.

SPECIAL ENROLLMENT EVENTS

<u>IMPORTANT:</u> After this open enrollment period is completed, generally you **will not** be allowed to change your benefit elections or add/delete dependents unless you have been covered under your current Plan for at least 12 months, unless you have a Special Enrollment Event.

Loss of other coverage event: If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if your employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing towards the other coverage).

Marriage, Birth, Adoption Event: In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Medicaid/CHIP Event: You and your eligible dependents may also enroll in this plan if you (or your dependents):

- have coverage through Medicaid or a State Children's Health Insurance Program (CHIP) and you (or your dependents) lose eligibility for that coverage. However, you must request enrollment within 60 days after the Medicaid or CHIP coverage ends.
- become eligible for a premium assistance program through Medicaid or CHIP. However, you must request enrollment within 60 days after you (or your dependents) are determined to be eligible for such assistance.

To request special enrollment or obtain more information, contact the Administrative Office.

IMPORTANT REMINDER TO PROVIDE THE PLAN WITH THE TAXPAYER IDENTIFICATION NUMBER (TIN) OR SOCIAL SECURITY NUMBER (SSN) OF EACH ENROLLEE IN A HEALTH PLAN

Employers are required by law to collect the taxpayer identification number (TIN) or social security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If your dependent does not yet have a social security number, you can go to this website to complete a form to request a SSN: http://www.socialsecurity.gov/online/ss-5.pdf. Applying for a social security number is FREE.

If you have not yet provided the social security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact the Trust Fund Office at (800) 800-622-0547 or (925) 208-2280. Thank you.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –

NOTICE OF GRANDFATHER STATUS

This group health plan (sponsored by the Stationary Engineers Local 39 Health and Welfare Trust Fund) believes that the Blue Shield HMO, Kaiser and Anthem Blue Cross PPO plan options are considered to be grandfathered health plans under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that the above noted plan options may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Trust Fund Office at (800) 622-0547 or (925) 208-2280.

You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or http://www.dol.gov/ebsa/healthreform/. This website has a table summarizing which protections do and do not apply to grandfathered health plans.
